## Some Geotagged Photos :

## B. The following are the two practices institutionalized as a result of IQAC initiatives

### 1. Utilization of online tools for organization of Conference.

A shift from offline to online mode in the field of education was a challenging task for most of the stakeholders. But as there was a sudden outbreak of Covid -19, it became essential for the stakeholders to use only online mode as there was no other alternative. This pandemic condition had a very adverse effect on human existence, but it is also true that it made the stakeholders acquainted with and little bit expert in handling online tools effectively. We could also develop our e-contents as far as possible. IQAC of Arts & Commerce College, Warvat Bakal motivated the faculty to organize virtual conference. During 2021-22, the Department of English and Political Science organized National Conference each.

## 2. Implementation of Certificate Courses.

### **CERTIFICATE COURSES FOR STUDENTS TO DEVELOP AND STRENGTHEN THEIR CAREER SKILLS.**

Certificate programs were designed with a view to develop and strengthen specific career skills of the students. Courses were designed in such a way that students can learn more about what they can study in a degree program. These certificate programs are considered as a continuing education because they build on students' knowledge of a particular subject. It also helps students to showcase their competency, commitment for the profession, build expertise in their professional subject area, and helps to increase their job seeking skills. These courses provide in-depth knowledge of the subject needed to perform a task efficiently and provide a wide range of skills to a student so that they can perform well when dealing with complex situations while performing their duties at a job or task. The curriculum of these courses is designed in such a way that it includes all practical skills to be used at the workplace. When students will be having a prior knowledge of his subject area then it will help them to perform much more confidently and efficiently at the workplace. To implement this strategy, the IQAC coordinator had instructed the coordinators of these courses to start these courses and for that necessary arrangement and facilities were made available.

The result of this initiative activity was seen in the fact that most of the students enrolled for these courses successfully completed the course and obtained the certificate.

In order to successfully implement this activity, it was decided to implement this activity according to the following stages.

- Approval from management: At the first stage the IQAC coordinator put a proposal in front of the principal to start a new certificate course, then he sought permission from the management, which was approved and then the principal asked the IQAC coordinator to take action on it.
- Appointment of Coordinators: Thereafter, coordinators were appointed by respective HOD's to whom these courses were assigned for these courses and it was clarified that they should bear all the expenses incurred for these courses.
- Designing of courses: After the appointment of these coordinators, they designed and developed the curriculum for these courses.
- Action plan: At this stage the mode of teaching and exam was decided.
- Execution: At this stage who will teach, allotment of room for teaching according to the timetable, exam was conducted and distribution of certificates to the students were done.

Lastly, the results of this activity were that it was successfully designed, developed and implemented in accordance with the plan.
